Student Attendance

The Troy City School District maintains an attendance and absence policy. The Board of Education recognizes that regular classroom attendance is essential to the total learning process and that classroom interaction between teacher and students and among other students themselves is an integral component to the learning process.

Student Absences 328-5437

Board of Education Policy recognizes several reasons for excused student absences. Any other absence is considered unexcused. **It is the parent's/guardian's responsibility to notify the school office on the morning of an absence by calling 328-5437.** It is essential that parents/guardians provide a written excuse for each absence. Such excuse should contain the reason for and date of absence. Please note that parental excuses can only be accepted if received within five days of your child's return to school.

Please consult District Policy 5100, which is posted to our website, for additional information on attendance and absences.

School Closings & Delays

When winter conditions or other emergencies cause delays or closings, announcements are posted on the District website, and local television stations. Additionally, the Troy City School District utilizes a telephone broadcast system for school announcements and emergency notifications. Please notify Central Registration at 328-5007 of any change in your phone number to receive these messages.

Parent Concerns

The Troy City School District believes that issues regarding your child are best addressed by the District personnel who are in a position to most effectively resolve the concern. Parents/guardians are requested to follow the District's procedure and address their concerns with the appropriate personnel. **1. Teacher** – classroom concerns; **2. Principal** – school operations or if meeting with the teacher does not resolve a concern; **3. Superintendent** – District operations or if further assistance is required to resolve a concern. If a concern is directly related to the actions of the Board of Education, please contact the BOE Office at 518-328-5070.

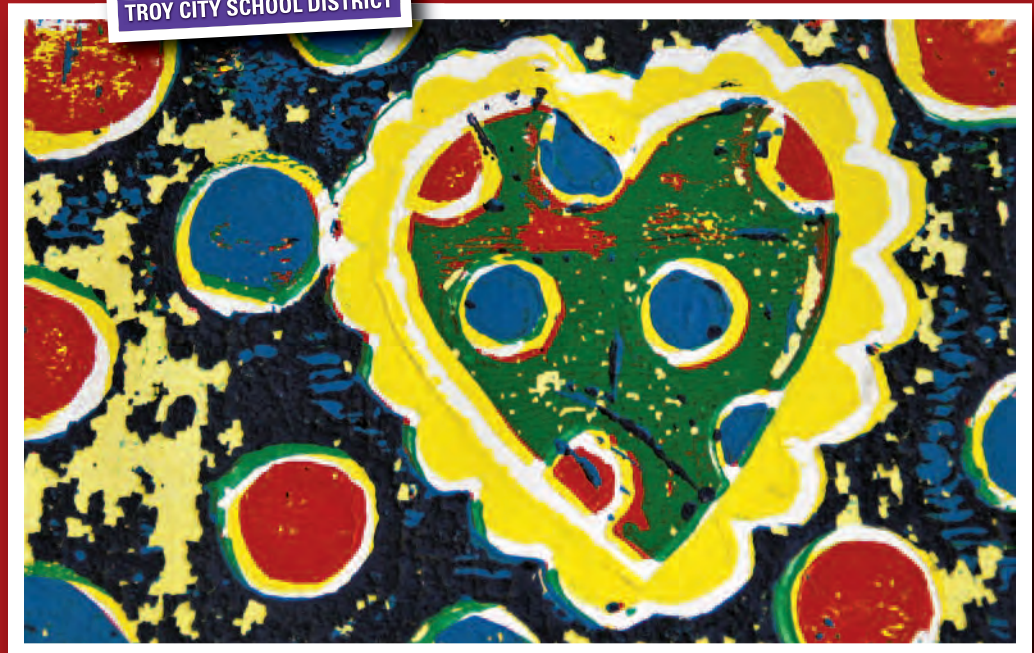

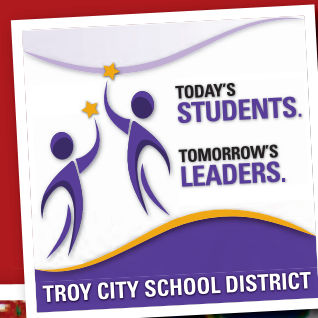

Dignity for All Students Act

All students have a right to attend school in a safe, welcoming and caring environment. NYS Education Law has been amended to create procedures to ensure every school environment is free of discrimination and harassment. This includes school property such as playgrounds, athletic fields, school buses and school-sponsored events.

The Board of Education has adopted a policy regarding Discrimination, Harassment, Hazing and Bullying which can be found on the District website in the e-policy manual. Acts of harassment or bullying should be reported immediately to the teacher or principal.

Code of Conduct

The District's Code of Conduct is reviewed on a regular basis. Each student receives a copy upon enrollment in the District. The Code of Conduct is also available on the District's website.

GED classes are designed for adult students who are beyond the mandated attendance age (at least one year after the date that the student would have graduated) and have not already acquired a High School Diploma or a GED Diploma.

The District also offers Driver Education as well as special interest classes in dance, exercise, beginner language, crafts and computer. For further information including how to register, please contact the **Adult and Continuing Education Office at 328-5023** or you may view the catalog of courses on District's website at www.troycsd.org/academics/adulted/.

Troy Booster Club

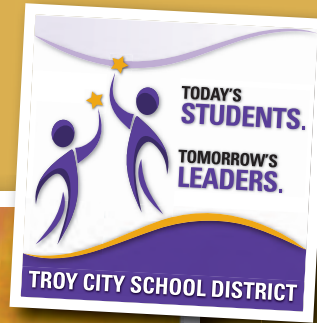

www.troycsd.org/tbc

The Troy Booster Club is a non-profit organization serving both Middle and High School students. It was started in 2003 by parents who believe that clubs and sports provide an important perspective and leadership opportunities for children. The Troy Booster Club helps TMS and THS students raise money for extracurricular clubs and team activities. Meetings occur monthly and appear on this calendar. For more information, contact us at troyboosterclub@troycsd.org or visit www.troycsd.org/tbc.

AHERA NOTIFICATION

In compliance with 40 CFR 763.93 regulations and the Asbestos Hazard Emergency Response Act (AHERA), this will serve as an annual notification of the availability of the Asbestos Management Plans (AMP) located in the District Facilities Office and LEA-DP's office located at 1950 Burdett Avenue. Questions should be directed to 328-5406.

The required triennial inspections of all confirmed and assumed asbestos containing building materials (ACBM) are recorded in the Asbestos Management Plans. Triennial inspections are performed during July every three years. Surveillance activities of the condition of the asbestos containing building materials (ACBM) in the District's buildings are conducted on an ongoing basis every six months during June/July and December/January and the AMPs are updated to reflect any changes on a continuous basis.

In the event of a planned asbestos project or response action becomes necessary; notification will be posted within 10 days prior to such action. In case of an emergency response, notice will be posted immediately at the site and appropriate follow up notification will be issued in the most timely manner available.

All records of such activities are on file in the AMP in school buildings and the District's Facilities Office.

About Troy Schools

With approximately 4,000 students, Troy is a small urban school district in NY's Capital Region. Our learning community values our ethnic, racial and cultural diversity.

Troy is set apart by an exceptional curriculum to build a strong academic & social foundation for students to flourish. Troy has five neighborhood elementary schools for Grades K-5. Our newly redesigned Troy Middle School is a state-of-the-art educational facility with 21st Century technology serving Grades 6-8. Troy High School further supports the District mission to prepare students to be college & career ready with programs such as the Troy Riverfront P-Tech program, College in the High School, and Career Exploration Internship Program (CEIP). Troy High School also offers Honors and AP classes, three foreign languages, and performing arts (band, chorus & ensemble, theater & fine art programs). Our recently approved referendum will improve safety and security throughout the district, while making 21st Century technology available in every classroom. Troy School District also partners with numerous community organizations, providing students additional unique learning opportunities.

The Troy School District is "a district on the rise," and we are extremely proud of the great things taking place in all of our schools. *Go Flying Horses!*
