#### Program Description

Participating students will collaborate with their peers and produce a musical performance that includes singing, choreography, stage dialogue, background set design, and props created by the students. This will all culminate in a performance for the Troy community.

While taking part in this program, students can expect to continue their vocal development, use creative and imaginative skills, and build a cooperative environment. Each session will consist of rehearsal for the performance, theater games, art projects created by the students, and snack/recess.

**Let's Eat! (A Tasty Musical for Anyone Who Loves Food!).** Hey, what's cookin'? Join Hungry Hank, Famished Fanny, Ravenous Randi, Picky Pete and more wacky characters in this upbeat and tasty musical all about their insatiable appetites! We are fortunate to live in a land of plenty, and as we celebrate food in wonderfully wacky ways with songs like The Fast Food Tango, Chicken Pot Pie, My Banana Split and Pizza, we are also reminded to be Thankful for the bounty we regularly enjoy.

## **Transportation and Attendance**

There are two transportation options for the students. School bus transportation is available for eligible Troy City School District students and will pick up and drop off students at beginning and end of each day.
