STUDENTS RECEIVED THIS LETTER AND THE APPLICATION FROM THEIR TEACHER

January 11, 2017

Dear Parents and Students:

As part of our college partnership program with Hudson Valley Community College, students can register at Troy High School for:

- TV Production I (Media Production II) (3 credits)
- Topics in 2D AutoCAD (4 credits)
- Pre-Calculus (Math 4) (4 credits)
- Calculus I & II (4 credits)
- Elementary Statistics (4 credits)
- Financial Accounting (Accounting 2) (4 credits)
- Intro to Macro Economics (3 credits)
- American National Government (3 credits)
- Interpretation of American History II (3 credits)

Three or four college credits are awarded upon **successful** completion of each course.

Since our Troy High School faculty has been given HVCC adjunct professorship status, the tuition for these courses is \$50 per credit hour. Thus, each course would be \$150/\$200 per semester. Needless to say, this is a wonderful opportunity both educationally and economically.

All students who are interested in receiving college credit are required to complete the attached Student Record Information Sheet, and Certificate of Residence forms. (If you did a Certificate of Residence in the fall, you will not need another)

Please see the simple steps on HOW TO APPLY on the reverse side of this letter.

A failing grade or withdrawal from an HVCC class could adversely affect your financial aid if you plan to attend HVCC after high school. Be certain you are willing to put in the effort to do well in this class before you commit to registering for the HVCC class

If you have any questions or concerns, call the guidance office at 328-5472. Please do not wait until the last minute to register.
