PHYSICAL EXAMINATION REQUIREMENT

Dear Parent /Guardian:

New York State Education Law requires that all children attending school in New York State have a physical examination at the following grade levels: **Pre-K, Kindergarten, 1st grade, 3rd grade, 5th grade, 7th grade, 9th grade and 11th grade, and all new students who are entering the Troy City School District.**

As part of your child's education and in recognition of a desirable health practice, the annual health examination by your health care providers continue to be encouraged. The examiner that is familiar with your child's health history is able to give a more thorough physical. They can immediately advise you regarding any condition that might be found.

If your child has had a physical in the past year or you plan to have your child examined by his/her own doctor, please have the Health Certificate filled out by the doctor and returned to school.

When we require that your child have a physical examination, we will be requesting a dental certificate as well. There is a sample certificate available for you to take to your child's dentist. Once it is completed, it should be returned to the School Nurse, as it will be filed in your child's Cumulative Health Record.

Please call the school's health office if you have any questions or concerns.

Thank you for your cooperation in this health endeavor.

Please return the completed form to the Health Office of your child's school.

Parent/Guardian: New York State law (Chapter 281) permits schools to request a dental examination in the following grades: school entry, K, 2, 4, 7, & 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

Section 1. To be completed by Parent or Guardian (Please Print)

Month Day Year

School Name: Grade

Have you noticed any problem in the mouth that interferes with your child's ability to chew, speak or focus on school activities? Yes No

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

The designation of not in fit condition of dental health to permit attendance at the public school does not preclude the student from attending school.
