PROFESSIONAL EMPLOYMENT OPPORTUNITY

DATE OF POSTING: September 13, 2022

POSITION: Grade 10 Regeneron STEM Academy Advisor

ASSIGNMENT: Secondary (TMS, THS, ALP)

REQUIREMENT: Troy CSD Certified Teachers

PROGRAM OVERVIEW: The second year is a pilot for the 10th graders who participated in the first-year program. The curriculum will be created to enhance the student experience and their interests in STEM. We will continue to have our employee volunteers participate in experiments and assist with on-site tours. We will also work on developing their personal skills both academically and personally with the assistance of a 10th grade science teacher.

RESPONSIBILITIES:

- Build a curriculum with the Regeneron staff focused on the students interests in various areas of STEM
- Advisors will coordinate and supervise off-campus trips as well as Regeneron Site visits.
- Monitor and supervise Capstone Project Idea for Fall 2022 and Presentation for Spring 2023
- Ensure a fun and engaging experience by creating and implementing hands-on experiments and experiences for students.
- Work to create an environment where students will continue to develop personal and academic strengths utilizing the expertise of the advisor as well as the resources of Troy High School and Regeneron.
