	<p>office [received after the meeting]: The AD's office has participated in a Spring sports banquet for about 15 years, not to mention we have had many discussions with AD's and Administration about banquets. The AD believes that announcing all the Coach's Awards and Special Awards [via live video feed] in front of the entire school and especially their teammates, is the way to go. It will be announced that all varsity participants can come to the AD's office to pick up their award and letters. We are excited about it and everyone can watch it live...even the students who are attending programs outside of the district, and any parents who are interested. This is the decision. The AD does respect all of the questions and inquiries from members of the BC.</p> <p>Any questions or comments concerning this inquiry may be addressed to troyboosterclub@troycsd.org.</p> <ol style="list-style-type: none"> 6.
