## *Some Helpful Hints . . .*

- ① All chosen poses are retouched to remove lines and blemishes; however, NOTHING IS RETOUCHEd ON THE HAIR OR FACIAL SHADOWS. *This can be done digitally at additional cost*, so check yourself before you leave the dressing room.
- ② Check the dress code of your particular school. Most schools require the guys to wear a jacket, dress shirt and tie in the pose appearing in the yearbook. We have some shirts, jackets and ties available.
- ③ For the GUYS – Make sure you have a fresh shave and haircut at least one week old. We all love sun but please stay out of it a few days prior to your sitting.
- ④ For the GIRLS – Wear your makeup as you normally would but avoid highlighting makeup. Stay away from strapless tops; if you desire, we provide a drape.

- ◆ Sitting fees are payable at the time of the sitting; a price list will be included with your proofs for purchasing portraits.
- ◆ There is no additional charge for your yearbook photo – it is included in your sitting fee.
- ◆ Sitting style may be decided at the time of the sitting.
- ◆ All proofs are the property and copyright of the Lloyd Studio and must not be reproduced or mutilated.
- ◆ All proofs must be returned to Lloyd Studio by the agreed date.
