Is It Really FREE?
YES! All 15-LOVE youth classes are completely free. 15-LOVE is funded through donations, grants, and a fundraising event. Donations of any kind (financial, time, talents, equipment, etc...) are encouraged, but not necessary. A $20 tax-deductible donation is recommended.

Who Can Participate?
15-LOVE welcomes everyone ages 4 and up at our summer classes, with an emphasis on families in the inner-cities. Kids must turn the lower age limit of the class by December 1, 2023. Camps & groups must call to arrange times. 
Adaptive – for students who could benefit from an adaptive environment including, but not limited to, students with physical limitations, cognitive-developmental or social-emotional needs. Caretaker involvement requested.
High School Tennis Fundamentals – a class for middle and high school students hoping to make or move up on their high school teams.
Adults – classes are offered for a small charge in the Spring & Fall.

Is 15-LOVE Just Tennis Lessons?
Not at all—15-LOVE offers educational programs at our office, and every tennis lesson includes an “off-court” session where kids and instructors take part in discussions / activities around topics including: healthy living, education, STEM, money management, peer pressure, the environment, etc.
