

MARCH 16, 2024 11AM - 1PM

# BE5 STEM SATURDAY

Experience the magic of electronic circuits turning everyday objects into musical instruments with a touch. Explore captivating chemistry experiments, dive into hands-on robotics, and ignite your child's coding journey with ScratchJr and Scratch! Create animated stories, characters, and interactive games in this hour of captivating STEM sessions. For all ages, K through 8th grade.

**REGISTRATION IS FREE! FREE! FREE!**
