Foundation Aid: Mr. Hotaling from the business office responded to this inquiry: Yes, they looked at all comments submitted from the survey and thanked families for taking the time to respond. The Foundation Aid did not get specifically allocated to a specific expenditure like a grant would; however, in the overall General Fund budget they added quite a few items, including elementary teachers to keep class sizes low (they are very low right now), social workers, additional security monitors at TMS/THS, and finally a capital transfer to turf the baseball and softball fields. Those turf projects are in the works now and still need approval from NYSED.</p>	<p>Information -</p> <p>Information</p> <p>Information</p>
